WHAT'S IN YOUR FREESTYLE™?

It's the "ingredients" that make Napoleon the better choice.
More control, more burners, more power, and a better warranty.

CROSS OVER LIGHTING

Cross-lighting technology ensures that if a burner accidentally goes out while lit, it will automatically reignite.

WAVE™ COOKING GRIDS

Iconic WAVE™ porcelain cast iron provides even heat transfer and prevents smaller foods from falling into the grill.

JETFIRE™ IGNITION

One handed, easy to use ignition system shoots a jet flame to light each burner individually for fast, reliable start-ups every time.
